➤ Connect with NMC.

They're available for expenses like housing, food, childcare, books, supplies, equipment and transportation costs. NMC students receive more than \$1.8 million in scholarships each year.

if you live, the program you're studying, and if you're a parent.

Start in high school, as a dual-enrolled or Early College student. Tuition is paid for by your school district, meaning it's free to you.

We get it. Forms can be confusing.
